CAREER OBJECTIVE

I am recent Graduate with Bachelor of Science in Electrical and Electronic Engineering (EEE). I have experience in organizing and coordinating successful organizational unit function .I like to learn new technologies and love to think out of the box .So I am seeking for an environment where I will get a chance to use my knowledge and skills to explore myself and to contribute in progress of the organization.

EDUCATION BACKGROUND

- B.Sc. in Electrical and Electronic Engineering (EEE),
American International University Bangladesh (AIUB), December, 2018.
CGPA: 3.64/4.00
- Higher Secondary Certificate Examination (HSC),
BAF Shaheen College Dhaka, 2014.
GPA: 5.00/5.00
- Secondary School Certificate Examination (SSC),
Civil Aviation High School, 2012.
GPA: 5.00/5.00

MAJOR

1st Major: **Power System Protection (PSP)**

2nd Major: **Measurement and Instrument**

PROJECT AND THESIS

- **Voice Controlled Intelligent Wheelchair**
- **Electric Furnace for Waste Metal and Material Recycling**

RESEARCH INTERESTS

Telecommunication, Communication, Power, Electronics & VLSI.

TECHNICAL SKILLS

Programming Language: C/C++, Arduino, **MATLAB** (attended a matlab workshop).

Simulation and Design Tools: PSpice, Cadence (studied and practiced beside a course), Simulink.

EXTRA-CURRICULAR ACTIVITIES

Photojournalism: Specialty: university event, concert, corporate event and Wildlife photography.

Active Member, **AIUB Community of Engineering (ACES)**

Event Organizer of **AIUB Community of Engineering (ACES)**

ENGAGEMENT

- Worked as a **volunteer** from (2015-2016) at AIUB Community of Engineering (ACES)
- Worked as an **executive** from (2016-2017) at AIUB Community of Engineering (ACES)
- Worked as a **top post** holder from (2018-2019) at AIUB Community of Engineering (ACES)

ADDITIONAL INFORMATION

Workshops: Nuclear power impact, Matlab, Nuclear reactor project competition

Seminars: PowerPoint (seminar)

IT: MS Word and Excel,

Languages – Bangla, English

Interests: Sports
